CITRUS MED PRIMARY CARE SERVICES

Citrus Med Primary Care Clinic is one of only six Federally Qualified Health Centers in Miami-Dade County. These centers are designed to serve the medically underserved and uninsured residents of West Miami-Dade County and the City of Hialeah. Pediatric Care services include the well-child check-up which incorporates immunization and preventative screenings designed to help children stay healthy and strong throughout the important years of development. Preventative Care offers services such as physical examinations, vision, hearing, and dental screenings, as well as on-site laboratory tests. The center offers 24-hour access to care which includes the availability of medical staff after working hours to respond to questions or concerns. Primary referral sources include, but are not limited to, community physicians, area hospitals, self referrals, and community-based organizations.

JUVENILE EVALUATION TREATMENT SERVICES (JETS)

This program targets juveniles who are on probation and have been referred to Citrus Health for mental health/substance abuse services by the juvenile probation officer, primary referral sources, and Department of Juvenile Justice. The purpose of this program is to identify behaviors that put the referred juveniles at risk of recidivism, as well as identify problems in the home, school, and community. The program also provides a comprehensive intervention in coordination with the probation officers and juvenile justice system in order to ensure optimal outcomes.
